# Give Every Rep the Words Proven to Sell More

No more saying the wrong things in make-or-break moments. Guide every agent to sell like your top performers.

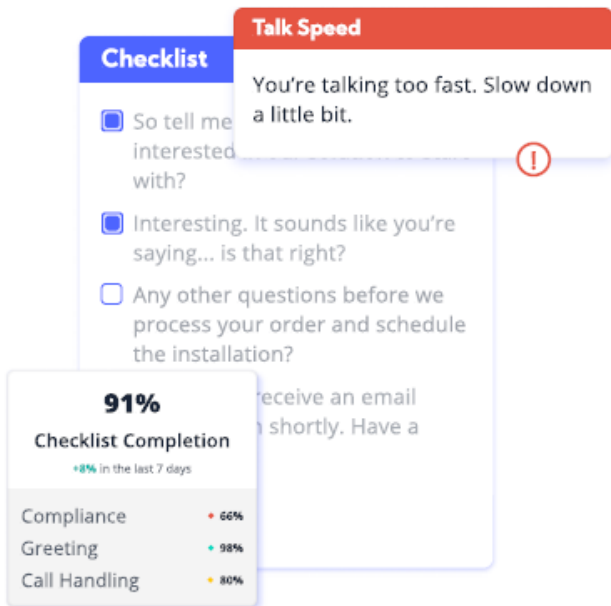

- Acqueon AiQ's Dynamic Prompts show reps the best Discovery questions & rebuttals - exactly when they need them
- Real-Time Agent Coaching instantly alerts managers for critical coaching moments, allowing them to guide reps live, while the call is still in progress

# Coach All Reps Without Lifting a Finger

That means ramping up new reps faster — and making all reps a better with every call they make.

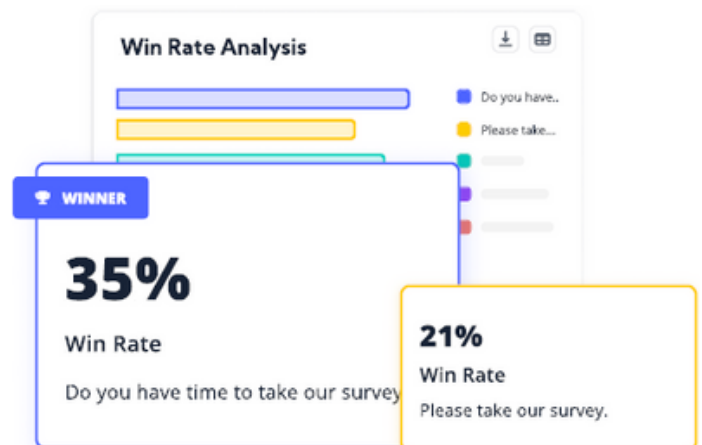

- AiQ's Checklist reminds reps to always hit the basics
- Notifications train out bad habits right in the moment
- Real-Time QM automatically scores every call and helps managers identify the root cause of lost revenue

# Measure What Works and Scale It Instantly

No more guessing — make your message better every day.

- Acqueon AiQ has a Win Rate Analysis that lets you test phrases against each other & automatically show reps the winner!
- Dashboards show you what scripts and strategies are winning calls so you can scale successful tactics to all reps instantly
